Theo Sipping Chocolate, chipotle spice, OMG good beyond conception of mortal beings. Can even be made without dairy (though instructions on packet? For a combo of whole milk and half 'n' half. Ooooh.) NOT available on website--AAGGH!

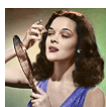

They're in Seattle. Want me to pretend to spot Kooky Stuff at Pike Place Market so they'll send us there?

Calinda's my favorite, actually. But avoid Mo's Bacon Bar...it's disappointing.

Is Theo's really only available here in Seattle?

(Friend's friends lists make for odd comments in strangers' journals. Ciao!)

I am disappointed that the bacon bar is disappointing.

But thank you for the beta on the bars, so to speak...
